

Find a Meeting Feature on WSO Website

The WSO website now includes a "Find a Meeting" feature that allows you to search for local Al-Anon and Alateen meetings by city/town, state, zip and/or county. The feature works for meetings in the U.S./Puerto Rico, Canada, and Bermuda.

To use the search feature, go to <http://www.al-anon.alateen.org/find-a-meeting> and click on "Find an Al-Anon Meeting" or "Find an Alateen Meeting", fill in one or more of the search items and click on search.

My favorite aspect of "Find a Meeting" is that the list of results you receive will begin with the current day (i.e. if you do the search on a Wednesday, the list will begin with all the Wednesday meetings).

Note that the meeting information is automatically updated when WSO receives notification of meeting changes.
